EDUCATION

2023
TO
2026 **DEGREE IN VIDEOGAME PROGRAMMING.**
ESAT
Degree in videogame programming.

2023 **DEGREE IN INTERACTIVE DIGITAL CONTENT**
SICUE exchange at ENTI-UB
Degree applied to the design and creation of applied video games connecting with the videogames industry: programming and game design profiles .

2019
TO
2023 **DEGREE IN INTERACTIVE TECHNOLOGIES**
POLYTECHNIC UNIVERSITY OF VALENCIA
Degree oriented to new technologies in which students get notions on how to work in teams (SCRUM) and skills to create websites, apps, video games and IOT.

PROFESSIONAL EXPERIENCE

2024
TO
2026 **MI ENGINEER AT MAVAL**
Worked as a MI Engineer for several companies. I was using SIEMENS licensed programs to deploy environments on clients servers. It was very useful for me because it has taught me how to work with sensible code that can break an entire project.

2023
TO
2024 **HEROES AND HEROINES MOBILE PROGRAMME AT HIBERUS**
A four month formation in real mobile programming projects, including Android, IOS and Flutter. Also acquiring knowledge in AGILE methodologies.

2022 **INTERNSHIP AT MERCANZA SL**
Worked as a data analyst in a Scrum team using Qlik sense technology. I learned how to analyze data patterns and behaviours.

TECHNICAL SKILLS

Unity
Unreal engine
C & C++
C#
ImGui

Git & Perforce
OpenGL
SQL
ARM ASM
SCRUM

ABOUT ME

I'm an active and respectful person that always wants to learn. I loved video games since my first game boy and I also loved maths. Thanks to game programming I can combine these two passions.

All my projects can be found on my Linkdn profile or on my personal portfolio.. These links can be accesed from this document.
